

Good Morning Cupcake

The Cupcakery

9680 S. Eastern Ave. Suite 100 Las Vegas, NV 89123

(702) 207-2253

Opened by a former Golden Nugget casino employee, this bakery clearly caters to the Vegas crowd. Among the flavors -- named best in 2007 by the Las Vegas Review-Journal -- is the "Good Morning" (yellow cake with cinnamon swirl and a sweet glaze topping) and an "adult" version (hey, bachelor partygoers have to eat, too). Just try maintaining that poker face when you bite into one of these numbers.
